**Importance:** High

Attached is State Representative Overdorf's letter concerning 404 assumption. His incoming letter was actually written September 30, 2019 but HQ only sent it to us last month, so WD wanted to make his reply slightly different from the others that they should be sending later.

James and Allison have already reviewed and approved. The due date to HQ is on the 18<sup>th</sup>.

Thanks

~ Wanda

Allison,

For your review.
